

Track Referral Program

The track referral program is a program where you can earn money! The track you refer must take part in the standard series (which is 3 or more races) weather it be arena cross, motocross, scramble or cross-country. Once you refer a track, give this form to the track to be signed by the promoter and sent in with the sanctioning fee. When the sanctioning form and fee and track referral form are sent in from the track or promoter, we will mail you a check for \$50.00. If the track you refer involves other tracks such as a 6 race series with 4 tracks. You cannot get \$50 per track, just \$50 for one of the tracks in the series.

Please fill out all the information so we will know where to send the referee the check

Name (full) _____			
Address			

(Street)	(City)	(State)	(Zip)
Phone # _____		Email Address _____	
Pit Bike Racing Association Member Number _____			

Signature of Referee _____		Date _____
